

**FOR IMMEDIATE RELEASE**

**9<sup>th</sup> September 2009**

**The Miracle TENS.**  
**Simple and effective pain relief during labour plus discrete pain relief for a host of complaints!**

**The new Miracle TENS Machine from The Miracle Box offers effective and versatile pain relief during labour in a stylish and lightweight unit. But that's not all, the Miracle TENS can be used for post labour pain such as back, shoulder and period pain as well as being suitable for helping to relieve many types of pain.**

The Miracle TENS features a sleek and easy to hold design and is very simple to use with a large LCD display, an integrated boost button and pre-set modes for ease of use during contractions.

Supplied with 4 large electrode pads and a comprehensive instruction manual the Miracle TENS can be attached to the strong belt clip or the flexible neck cord to allow full mobility during use.

The Miracle TENS comes complete with necessary leads, a set of batteries and a spare set and when not in use it can be stored in the soft carry pouch.

Available to hire or buy The Miracle TENS also comes complete with the Miracle Box for Women, worth £9.99, that helps women discover the easy way to locate, isolate and exercise pelvic floor and core muscles, putting you back in control and at less risk of prolapse, stress incontinence, sexual problems and other unpleasant symptoms of pelvic floor dysfunction.
